# THE BALD-FACED TRUTH

## ABOUT HEREFORD GENETICS

It's obvious ... Hereford-sired calves deliver a \$51 increase in net profit per cow, per year. Hereford genetics bring legendary hybrid vigor, improved fertility, feed efficiency and easy-handling docility to your program. Read the research, see why Hereford heterosis pays off, at [Hereford.org/genetics](http://Hereford.org/genetics).

Photo by Richard Field Levine

My Sponsors are so very important to me being able to continue down the Rodeo road. I couldn't do it without them. I appreciate each and every one of them!
